Staff Shared Governance at UA

A brief history

Staff Advisory Council

A 5-person committee working with Billy Joe Varney and Chuck Sakwa resulted in the 1984 birth of the Staff Advisory Council (SAC).

CAP → APOC

Formed as the Committee of Administrators and Professionals (CAP), APOC (Appointed Personnel Organization Council) is chartered in 1993 under President Manuel Pacheco.

APAC and CSC

In 2006, APOC was renamed the Appointed Professionals Advisory Council (APAC). In 2016 SAC became Classified Staff Council (CSC).

UArizona Staff Council

Following the 2019 University Career Architecture Project (UCAP), CSC and APAC merge to become **UArizona Staff Council (UASC)**.
