## **Good Dental Coverage Does More Than Help You Look and Feel Better.**

### **Everything you demand from dental benefits.**

### **Research shows that taking care of your teeth and gums may actually help you live longer.**

Everything from headaches to stiff necks can be caused by problems with your teeth and gums. Dentists have known that for a while. What we didn't realize was just how seriously oral health problems, especially gum disease, can affect your health. According to the American Dental Association, three out of four Americans suffer from periodontal disease. And researchers at the University of Minnesota recently reported that the infections it causes could lead to blood clots that can cause heart attacks and strokes. The good news is, these infections are easily avoided by visiting the dentist, something Cigna Dental makes easy.

### **Most dental disease is totally preventable. Of course, you'll need a good dental plan.**

Fortunately, you're being offered a Cigna Dental plan that makes it easy and affordable to do the simple things necessary to take care of your health. You'll have access to one of the largest dental networks in the country\* at guaranteed savings. And you can be confident that quality management is a high priority. Dentists who serve our members are independent professionals who have met our quality program criteria. This access to care and savings is backed by top-notch service. We help over 12 million\*\* people look and feel better. We can do the same for you.

### **Questions Answered.**

#### **Cigna Dental Care**

*How do I choose a dentist?*

Select one from the Dental Office Directory and indicate your choice when enrolling. For the most current information on dentists in your area, use the automated Dental Office Locator by calling 1.800.367.1037 or visit our website at [www.cigna.com](http://www.cigna.com). Both are available 24 hours a day.

*Can I change my office selection?*

Sure. Call Member Services at 1.800.367.1037 to speak to a representative or follow the steps to use our automated Quick Transfer option. In most cases, the change will take effect on the first day of the following month.

*Can family members use different dentists?*

Of course. Member's Choice allows family members to select their own network dentist.

*What if I need to see a specialist?*

Your general dentist will make a referral to a participating specialist. Once payment is approved, your costs will be those listed in the *Patient Charge Schedule*.

*Are braces covered?*

Yes for both children and adults. For orthodontic treatment started before you joined the Cigna Dental Care plan, call Member Services at 1.800.367.1037 to determine if any benefit is available.
