

PHASED RETIREMENT AGREEMENT AND RELEASE
between
The University of Arizona (University)
on behalf of the Arizona Board of Regents (ABOR)
and

Employee: _____

Employee is, as of the date of signing this Agreement, a tenured/non-tenured/continuing professional/year-to-year professional in the Department of _____, in the College of _____. [Any additional language regarding multiyear appointment or other consideration for entering into this Agreement.]

This Agreement is subject to the Phased Retirement Program under ABOR Policy 6-602, *Optional Retirement Program*. The enforcement of this Agreement is subject to Arizona law and University and ABOR policies. Employee will remain subject to ABOR and University policies during phased retirement.

B. Term of Appointment:

1. Under this Agreement, Employee will begin phased retirement on _____, 20____, and will terminate, relinquish employment, and retire effective _____, 20____.

Employee understands that Employee's retirement, if accepted, is irrevocable. The termination date can be accelerated upon mutual written agreement between the University and Employee, but the termination date cannot be extended.

2. During this period of phased retirement, Employee's appointment will be on a reduced FTE for the following periods:

- b. to , % time (. FTE).
- c. to , % time (. FTE).

[NOTE: This section allows for different percentages for different portions of the phased retirement period, and can have as few as one line or as many as the number of semesters covered by the phased retirement period. ABOR 6-602.C.3 also allows for less than 50% FTE if requested by the participant. This will be decided on a case-by-case basis by the appropriate administrator at each University.]

B. Compensation:

For the period , to , Employee will receive an annualized salary of \$ at . FTE. [FTE must be between 50 and 95% time.]

For the remainder of the periods covered by this Agreement, Employee will receive an annualized salary of \$, at . FTE. [FTE must be between 50 and 95% time.]

Employee's compensation during phased retirement will be based on the above-designated percentage of the full-time base annual salary that Employee was earning immediately prior to the beginning of this phased retirement, based on Employee's last 9- or 12-month contract term of regular benefits-eligible employment at the University. If a member of the faculty or professional holds a fiscal year administrative appointment in the year preceding phased retirement, the University will first establish an academic year base faculty or professional salary in accordance with ABOR 6-103 and relevant University policies, and then the reduced FTE percentage will be applied against that base. During phased retirement, Employee will continue to be subject to performance reviews and annual evaluations. Employee will be eligible to receive proportionate salary and merit pay increases allocated by the legislature or the University, and approved pursuant to ABOR and University policies, based on annual evaluations.

C. Duties and Responsibilities:

The specific duties to be performed by Employee, which have been approved by Employee's Department Head under this Agreement follow:

[Set out specific duties, breaking down to teaching, research, service, outreach, etc.]

D. Employee Benefits and Voluntary Retirement Programs:

During the phased retirement period Employee may continue or elect to participate in all state-, ABOR-, or University-sponsored employee benefit and voluntary retirement programs for which Employee is eligible based on established eligibility standards and subject to the benefits provisions for all University employees.

E. Optional Retirement Plan (ORP) Contributions:

1. Both Employee and University contributions to the ORP will continue until the Employee's retirement date, as required by Arizona Revised Statutes § 15-1628(C) and the ORP document. Both the University's and the Employee's contributions to the ORP account will be based on the Employee's salary, subject to contribution limits imposed by applicable section(s) of the Internal Revenue Code.

2. Employee may elect to start receiving the benefits accrued under the ORP, but is not required to do so. Furthermore, all retirement benefits for which Employee is eligible will be determined in accordance with the ORP and Employee's selected investment company(s).

F. Post-retirement Employment:

After Employee completes the phased retirement period, neither ABOR nor the University has any obligation to offer Employee additional employment.

SECTION III
