Internship Housing on the  
University of Arizona Campus

## WHO IS ELIGIBLE?

If you are a student with any accredited college or university internship program, you are eligible to live on campus. You do not need to be a University of Arizona student to take advantage of our Internship Housing. You just need to provide a letter from an accredited college or university stating that you are participating in an internship; the internship does not need to be for academic credit.

## AVAILABILITY

Internship Housing is available at the end of May through mid-August. Spaces are limited and we fill up fast!
