

2021 Benefits Summary

Retirement Plan Options

The University of Arizona has two retirement plans: the **Arizona State Retirement System (ASRS)** and the **Optional Retirement Plan (ORP)**. You must enroll in a plan during the **first 30 days** of employment or new retirement eligibility, and **your decision is irrevocable**. If no election is made, you will default into the ASRS.

Plan Feature	AZ State Retirement System (ASRS)	Optional Retirement Plan (ORP)
Effective Date	Six months after hire unless prior employment or ASRS membership.	First day of pay period following completed enrollment.
Type of Plan	Defined Benefit: You receive a lifetime monthly pension based on your length of service and salary.	Defined Contribution: Your benefit depends on how well the investments you choose perform.
Contribution Rate	Until July 1, 2021: 12.04% of salary, matched by the University.	7% of salary, matched by the University.
Plan Administrator	The ASRS directs investments.	You choose between Fidelity Investments or TIAA and can direct how your contributions are invested.
Long-Term Disability Insurance	Included with plan: You contribute 0.18% of salary. No maximum.	Included with retirement plan: 100% UA-paid. \$10,000 monthly maximum benefit.
Vesting	There is no vesting in University contributions. You are immediately vested in your own contributions. You are eligible for University contributions at retirement.	Five-year vesting schedule for University contributions. You are immediately vested in your own contributions. You may be immediately vested in University contributions if you have an active contract in another qualified retirement plan.
Rollovers Permitted	No rollovers. You may purchase service credit if previously employed with a public employer.	Rollovers from other defined contribution plans permitted.
Portability	Limited: You may leave funds on account for a future retirement benefit or withdraw your contributions only.	Greater: You can keep your account with your chosen vendor or withdraw/roll over your contributions. You may withdraw/roll over employer contributions if vested.
Phased Retirement	No formal phased retirement.	You may reduce your FTE over three years while taking distributions before retiring fully.
Return to Work	You cannot work more than 19 hours per week in the first year after retirement.	No restrictions on FTE if returning to work after retirement.

Note: You must make your retirement plan election in UAccess **first**.

In UAccess, select the Benefits tile from the University Employee Main Homepage and then select Benefits Enrollment. **Your benefits choices will be available to you the following day.**

To enroll in ORP:
