The information in this section provides details about the benefits that may be payable, any applicable Exclusions and Limitations, and Other Features included in an Insured's coverage.

Benefits will only be payable for an Insured's death that occurs on or after the Insured's Coverage Effective Date.

Death Benefit

We will pay an Insured's Life Benefit Amount, in accordance with the provisions of this certificate, if an Insured dies.

Accelerated Death Benefit

This benefit provides an advance payment of an Insured's Death Benefit if the Insured becomes Terminally Ill or has a Terminal Illness.

For purposes of this benefit, Terminally Ill or Terminal Illness is a medical condition:
- from which an Insured is not expected to recover; and
- which is expected to result in the Insured's death within 24 months.

Benefits received under this Accelerated Death Benefit may be taxable. You should seek assistance from a personal tax advisor prior to requesting an accelerated payment of death benefits.

Accelerated Death Benefit Limitations

No Accelerated Death Benefit will be paid:
- if any required premium is due and unpaid;
- if the Insured is not Terminally Ill at the time you apply for the Accelerated Death Benefit for an Insured;
- without the Written consent of the assignee if you have assigned your rights under this certificate;
- without the Written consent of the beneficiary if you have named an irrevocable beneficiary;
- if a government agency requires you to use this benefit to apply for, obtain, or otherwise keep a government benefit or entitlement;
- if you are required by law to use this benefit to meet the claims of creditors, whether in bankruptcy or otherwise.

Accelerated Death Benefit Amount

The amount you may receive is up to 80% of the Insured's Life Benefit Amount.

The maximum amount is the lesser of:
- the maximum benefit available under this certificate; or
- $500,000.

If an Insured's life insurance coverage is scheduled to reduce within 12 months of the date application for this benefit is received by us, the amount of life insurance coverage that can be accelerated will be limited to the amount that would be available after such reduction takes place.

Payment of an Accelerated Death Benefit

The Accelerated Death Benefit will be payable one time in a lump sum to you, after we receive proof of an Insured's Terminal Illness and benefit eligibility.

If you have assigned your rights under this certificate to an assignee or made an irrevocable beneficiary designation before benefits are payable, we must receive Written consent on a form acceptable to us that the assignee or irrevocable beneficiary has agreed to the accelerated benefit payment on your behalf.

If an Insured dies before we issue an Accelerated Death Benefit payment, no Accelerated Death Benefit will be paid. Instead, we will pay the Death Benefit in accordance with the provisions of this certificate.

Effect of the Accelerated Death Benefit payment on other benefit provisions

An Insured's Death Benefit will be reduced by any amount paid under the Accelerated

Death Benefit provision. Payment of an Accelerated Death Benefit for one Insured will not reduce any other Insured's life insurance coverage and will not reduce accidental death and dismemberment insurance coverage.

Any Life Benefit Amount that would be continued under a disability continuation provision or that may be available under Conversion will be reduced by the amount of the Accelerated Death Benefit paid. The remaining Life Benefit Amount will be paid in accordance with the provisions of this certificate.

Upon request to accelerate an Insured's Death Benefit and upon the payment of the Accelerated Death Benefit, we will provide a statement to the Insured and any assignee of record or irrevocable beneficiary of record demonstrating the effect of the acceleration on the Insured's Death Benefit.

Upon payment of the Accelerated Death Benefit, the certificate will remain in force, unless coverage terminates. Premium payments must continue to be paid on the full amount of an Insured's life insurance coverage in force prior to the payment of the Insured's Accelerated Death Benefit unless the Insured is approved to have life premium waived in accordance with the Waiver of Premium section of this certificate.

Applying for an Accelerated Death Benefit

This replaces the Filing a Claim provision in the Claim Provisions section of this certificate.

If there are any questions on how to file a claim, please contact us or your Employer.

Proof of Loss

Proof of Loss must be sent to us no later than 90 days after the date the claim is filed for an Accelerated Death Benefit. If it is not reasonably possible to provide Proof of Loss within this time period, it will not affect a Payable Claim if it is provided within one year, unless the Insured lacks the legal capacity to do so.

In no event can Proof of Loss be submitted after the expiration of the time limit for commencing Legal Action as stated in this certificate, even if the failure to provide Proof of Loss is due to a lack of legal capacity or if state law provides an exception to the one year time period.

Proof of Loss provided at your or your authorized representative's expense, must include, but not be limited to the following:

- satisfactory Written proof from the Insured's Physician certifying that the Insured is Terminally Ill; and
- the appropriate documentation of your financial records, including but not limited to, Earnings and income tax returns.

If the Proof of Loss is not complete, we will request additional information.

This certificate is subject to all Exclusions in this section, unless stated otherwise in a specific provision.

Exclusions

This certificate does not cover any losses where death is caused by, contributed to by, or occurs as a result of suicide occurring within 24 months after:

- an Insured's initial Coverage Effective Date; and
- the date any increases or additional life insurance coverage becomes effective for an Insured.

This exclusion will apply to any life coverage for which you pay all or part of the premium.

This exclusion will also apply to any life coverage that has been approved by us that is subject to the Evidence of Insurability Requirements.

An Insured will be given credit towards the satisfaction of the time period of 24 months for any amount of time satisfied while coverage was effective under your Employer's prior group life insurance policy.

Conversion

Conversion rights provide an Insured the option to convert group life insurance coverage to any type of individual level premium whole life plan(s) in use by Unum or another insurance company which has agreed to issue conversion policies according to this conversion right. Please refer to the provisions below for additional details.

Right to Convert

You may convert all or part of an Insured's life insurance coverage to an individual level premium whole life policy without submitting Evidence of Insurability when an Insured's life insurance coverage reduces or ends due to a Qualifying Event.

For purposes of this provision, Qualifying Event means:

- you cease to be in an Eligible Group;
- your employment ends;
- your continuation of coverage, if any, ends;
- your portability coverage, if any, ends;
- the group policy ends;
- the policy is changed to end life insurance for the Eligible Group to which you belong; or
- your life insurance coverage is reduced:
  - on or after you reach a certain age;
  - because you change from one eligible class to another;
  - due to a change made by the Employer to the policy; or
- your Spouse or Children's life insurance coverage is reduced:
  - on or after your Spouse or Child reaches a certain age;
  - because you change from one eligible class to another;
  - due to a change made by the Employer to the policy.

Your Spouse may convert their life insurance coverage if it ends because your Spouse no longer meets the definition of a Spouse.

Your Children may convert their life insurance coverage if it ends because your Children no longer meet the definition of Children.

Life insurance coverage for any Insured cannot be converted if coverage was terminated due to non-payment of premium.

Applying for Conversion

You must apply to convert coverage within the Conversion Application Period. The first premium payment for converted coverage is due at the time you submit the conversion application.

For purposes of this provision, Conversion Application Period means the 31 day period after the date of any Qualifying Event.

Applications for conversion, which include cost information, are available from the Employer, from us, or online at **services.unum.com**.

Notice of Right to Convert

Your Employer must notify you of your Right to Convert all or part of an Insured's life insurance coverage within 15 days from the end of the Conversion Application Period.

If your Employer does not notify you within those 15 days, the time allowed for you to exercise an Insured's Right to Convert will be extended for 15 days from the date you are notified.

In no event will the time allowed for you to exercise an Insured's Right to Convert be extended beyond 60 days from the end of the Conversion Application Period.

Life Insurance Coverage that can be Converted

Except as limited under Limits on Right to Convert, the maximum amounts that you can convert may not exceed the Insured's life insurance coverage lost under this certificate

less the amount of any life insurance coverage that the Insured is or becomes eligible for under the same or any other group policy during the Conversion Application Period.

You may convert a lower amount of life insurance coverage for an Insured.

Conversion is not available for any amount of life insurance for which an Insured was not eligible for or covered for under this certificate.

Conversion is also not available for coverage which is being continued:
- in accordance with the Waiver of Premium section of this certificate;
- under the Portability Rider; or
- in accordance with the continuation provisions found in the End of Coverage section of this certificate until such coverage ends.

Coverage available for Conversion does not include the following services and benefits included in or with your certificate:
- Accelerated Death Benefits;
- Accidental Death and Dismemberment Benefits;
- Additional Services, including but not limited to, Employee Assistance Programs, Travel Assist, and Life Planning Financial and Legal Resources;
- Student Loan Protection Benefit; or
- Waiver of Premium.

If you convert to an individual life policy, then return to work, and, again, become covered under this certificate, you are not eligible to convert to an individual life policy again. However, you do not need to surrender your individual life policy when you return to work.

Limits on Right to Convert

If your Insurance ends because of cancellation or changes to the policy, the following will apply:

You may convert a limited amount of life insurance coverage for an Insured, if the Insured has been covered under the Employer's group policy with us for at least five (5) years.

The maximum amount you have the right to convert is the lesser of:
- $10,000; or
- the Insured's life insurance coverage under this certificate less any amounts that become available under any other group life policy offered by the Employer within 31 days after the date the policy is cancelled.

Death During the Conversion Application Period

If an Insured dies during the Conversion Application Period, we will pay a benefit equal to the maximum amount the Insured was entitled to convert under the terms of this certificate.

If application and Premium payment has been made for an individual life conversion policy, any Premiums paid for the individual life conversion policy will be refunded. In no event will we be liable to pay a death benefit under both the group policy and the individual life conversion policy.

Premiums for Converted Insurance

Premiums for the converted life insurance coverage will be based on:
- the Insured's then attained age on the effective date of the individual life policy;
- the type and amount of insurance to be converted;
- our customary rates in use at that time; and
- the class of risk to which the Insured belongs.

If premium payment has been made, the individual life policy will be effective at the end of the Conversion Application Period.

Waiver of Premium allows premiums to be waived for an Insured's Life coverage if you are disabled and meet the requirements outlined in the provisions below.

Waiver of Premium Description

Premiums may be waived for coverage if you:
- are Disabled prior to age 60; and
- satisfy the Elimination Period while remaining Disabled.

Paying for Coverage During Your Application for Waiver of Premium

To be eligible for coverage during your Elimination Period, and to maintain your right to convert your group life insurance coverage, you or your Employer must continue making premium contributions for coverage until you are notified of your approval for Waiver of Premium.

Upon approval of your Waiver of Premium claim and satisfaction of the Elimination Period, premium contributions for your life insurance coverage will not be required while you remain Disabled, subject to all other provisions of this certificate.

If premiums are being waived for you, premium contributions for your Spouse and Children's life insurance coverage will not be required during the period your life premium is waived.

Waiver of Premium does not apply to AD&D insurance coverage. Premium contributions must continue for AD&D insurance coverage for any Insured while you remain eligible under the certificate.

Premiums waived in accordance with this provision will not be deducted from a Payable Claim.

Elimination Period

The Elimination Period is the continuous period of time you must be Disabled. You must satisfy the Elimination Period before you are eligible for premiums for coverage to be waived.

Elimination Period	180 days

While satisfying the Elimination Period, if you return to work for less than 30 continuous days with your Employer and go back out of work due to the same Injury or Sickness, this will be treated as a continuous disability. Days you worked will count towards satisfying the Elimination Period. If you return to work for more than 30 continuous days with your Employer, this will be treated as a new disability and a new Elimination Period will need to be satisfied.

If you are working for another employer during the Elimination Period this will be considered working during the Elimination Period and you will not be eligible for this Life Waiver of Premium benefit.

Definition of Disability for Waiver of Premium

For purposes of Waiver of Premium, Disability or Disabled means:

During the Elimination Period
Due to an Injury or Sickness, you are not working in any occupation.

After the Elimination Period
Due to the same Injury or Sickness, you are unable to perform the Material and Substantial Duties of any Gainful Occupation.

While you are Disabled you must be under the Regular and Appropriate Care of a Physician. The loss of professional or occupational licenses or certifications, by themselves, will not be considered a Disability.

Termination of Life Coverage While Satisfying the Disability

If an Insured's life insurance coverage terminates while satisfying the requirements for Waiver of Premium, Conversion may be available. Please refer to the Conversion provision shown in the Life Details Other Features section of the certificate.

Requirements

Filing a Claim for Waiver of Premium

Provide notice of a claim for Waiver of Premium under this certificate as soon as possible. If there are any questions on how to file a claim, please contact us or your Employer.

You must notify us immediately when you return to work in any capacity, regardless of whether you are working for your Employer.

We will send a claim form to you within 15 days from the date we receive your request for a claim form.

If you do not receive a claim form from us within 15 days after we receive your request for a claim form, you should submit a Written statement as to the nature and extent of the disability. This will be considered Proof of Loss.

Step 4 - Continuing Proof of Loss
At our request, you must provide continuing Proof of Loss for your continuing disability during the duration of your claim. We will request continuing Proof of Loss as often as it is reasonably necessary to do so, but not more frequently than once every six months. It must be sent to us within 45 days from the date of our request.

After you or your authorized representative have satisfied the requirements of this provision, we will process and evaluate the information to determine if a claim is payable. We will notify you or your authorized representative of a claim decision and issue payment for a Payable Claim in accordance with the Payment of Benefits provision in the Claim

Provisions section of this certificate.

While premiums are being waived, an Insured's Life and AD&D Benefit Amount will not increase or decrease due to a plan change made by the Employer.

Your Spouse's Coverage Effective Date will be delayed if your Spouse:
- is an inpatient in a Hospital, Hospice, or other health care facility;
- is confined at home under the care of a Physician.

If your Spouse's Coverage Effective Date is delayed due to the conditions above, your Spouse's coverage will begin on:
- the date your Spouse is no longer an inpatient in a Hospital, Hospice, or other healthcare facility; or
- the date your Spouse is no longer confined at home under the care of a Physician.

This provision does not apply to Children.

Continuation of your Coverage During Extended Absences

Leave of Absence, other than a Family and Medical Leave of Absence
You will be covered for up to 12 months from the date your Leave of Absence begins, provided premium is paid.

Family and Medical Leave of Absence
We will continue coverage in accordance with your Employer's Human Resource policy on family and medical leaves of absence if premium payments continue and your Employer approved your leave in Writing. You will be covered up to the end of the latest of:
- the leave period required by the Federal Family and Medical Leave Act of 1993, and any amendments;
- the leave period required by applicable state law; or
- the leave period provided to you for an Injury or Sickness, provided premium is paid and your Employer has approved your leave in Writing.

If your Employer's Human Resource policy doesn't provide for continuation of your coverage during a family and medical Leave of Absence, coverage will be reinstated when you return to Active Employment.

We will not:
- apply a new Waiting Period; or
- require Evidence of Insurability.

Leave of Absence due to Injury or Sickness
You will be covered up to your retirement date provided premium is paid.

Temporary Layoff
You will be covered through the end of the current pay period in which your temporary Layoff begins, provided premium is paid.

End of Coverage

For you
Your coverage under this certificate ends on the later of:
- the last day of the period any required premium contributions are made; or
- the earliest of:
  - the date the policy is cancelled by us or your Employer;
  - the date you are no longer in an Eligible Group;
  - the date your Eligible Group is no longer covered; or
  - the date of your death.

However, as long as premium is paid as required, coverage will continue:
- while benefits are being paid;
- in accordance with the Continuation of your Coverage During Extended Absences provision; or
- if you elect to continue coverage for you, your Spouse, and your Children under Portability of Life and Accidental Death and Dismemberment Insurance.

We will provide coverage for a Payable Claim that occurs while you are covered under this certificate.

For your Spouse
Your Spouse's coverage will end on the earliest of:
- the date your coverage under this certificate ends;
- the date your Spouse is no longer eligible for coverage;
- the date your Spouse no longer meets the definition of a Spouse;
- the date of your Spouse's death; or
- the date of divorce or annulment.

If your Spouse's coverage ends as a result of your death, divorce or annulment, your Spouse may elect to continue Spouse and Children coverage, as long as premium is paid as required under Portability of Life and Accidental Death and Dismemberment Insurance.

We will provide coverage for a Payable Claim that occurs while your Spouse is covered under this certificate.

For your Children

Your Children's coverage will end on the earliest of:

- the date your coverage under this certificate ends;
- the date your Children are no longer eligible for coverage; or
- the date your Children no longer meet the definition of Children.

We will provide coverage for a Payable Claim that occurs while your Children are covered under this certificate.

Filing a Claim

Provide notice of a claim for benefits under this certificate as soon as possible. If there are any questions on how to file a claim, please contact us or your Employer.

Step 1 - Starting a Claim

Notice of a claim may be provided in Writing, online at: **services.unum.com**, or by contacting us directly at 1-800-635-5597. Notice of a claim should be provided within 30 days from the date of the death or Covered Loss. If notice of a claim is not provided within this time period, it will not affect a Payable Claim as long as notice is provided as soon as reasonably possible.

If the death or Covered Loss occurs before receiving notification of our decision on any Coverage Amounts subject to Evidence of Insurability Requirements, the coverage amount applicable to the claim will be the coverage previously approved and on file with us and your Employer.

Step 2 - Claim Forms

After receiving notice of a claim, we will send a claim form to you or your authorized representative within 15 days from the date we receive the notice of a claim. Claim forms may also be available from your Employer or from us online at: **services.unum.com**.

When you or your authorized representative receive the claim form, you or your authorized representative and your Employer must fill out your own section of the claim form and provide the Insured's Physician with the applicable section of the claim form. The Insured's Physician should complete their section of the form and send it directly to us.

If you or your authorized representative do not receive a claim form from us within 15 days after we receive notice of a claim, a Written statement from you or your authorized representative establishing the nature and extent of the Covered Loss or the death will be deemed Proof of Loss, if sent to us within the time limit stated in the Proof of Loss section below.

Completed claim forms may be submitted online or sent to us by mail, or fax:

Mailing Address:	The Benefits Center P.O. Box 100158 Columbia, South Carolina 29202-3158
Fax:	(800) 447-2498

Step 3 - Proof of Loss

Proof of Loss must be sent to us no later than 90 days after the date of death or Covered Loss. If it is not reasonably possible to provide Proof of Loss within this time period, it will not affect a Payable Claim if it is provided within one year, unless the Insured lacks the legal capacity to do so.

In no event can Proof of Loss be submitted after the expiration of the time limit for commencing Legal Action as stated in this certificate, even if the failure to provide Proof of Loss is due to a lack of legal capacity or if state law provides an exception to the one year time period.

Proof of Loss, provided at your or your authorized representative's expense, must include, but not be limited to the following:

- a certified copy of the death certificate or other lawful evidence providing equivalent information;
- the date of Covered Loss;
- the cause of death or Covered Loss;
- the name and address of any Hospital where treatment was received, including all attending Physicians; and
- documentation of your financial records, upon request and where appropriate,

including but not limited to, Earnings and income tax returns.

If the Proof of Loss is not complete, we may require you to submit additional information.

Step 4 - Continuing Proof of Loss
At our request, the Insured must provide continuing Proof of Loss during the duration of a claim. We will request continuing Proof of Loss as often as it is reasonably necessary to do so. It must be sent to us within 45 days from the date of our request.

Failure to provide continuing Proof of Loss within this time period may delay benefit payments until we receive the required proof.

After you or your authorized representative have satisfied the requirements of this provision, we will process and evaluate the information to determine if a claim is payable. We will notify you or your authorized representative of a claim decision and issue payment for a Payable Claim in accordance with the Payment of Benefits provision.

Authorization for Release of Information

We may require Written authorization from an Insured or an authorized representative to allow us to obtain necessary medical and non-medical information needed for Proof of Loss and Continuing Proof of Loss. Failure to provide us with Written authorization may result in the denial of a claim if the Insured or the authorized representative does not send proof to us and we are not able to obtain the proof required to make a claim decision.

Right to Exam, Test, or Interview

We may require the Insured to be examined or tested by one or more Physicians, other medical practitioners, or vocational experts of our choice. We may also require the Insured to be interviewed by an authorized representative of ours.

We have the right to interview the Insured and to have the Insured examined or tested as often as is reasonably necessary. Any examination, test, or interview that we require will be at our expense. If the Insured fails to attend or fully participate, we will not pay benefits or we will stop sending benefits under this certificate.

Autopsy

We will have the right to request an Autopsy where it is allowed by law.

Payment of Benefits

All benefits will be paid to you, unless otherwise noted or unless we receive Written authorization to pay them elsewhere. This is an assignment of benefits, refer to the Assignment provision in the General Provisions section of this certificate.

In the event of your death, any unpaid benefits will be paid to your beneficiary in accordance with the Beneficiary Designation and Change provision.

In the event of your Spouse's death, should your Spouse have survived you and continued coverage, any unpaid benefits for your Spouse, will be paid to your surviving Spouse's beneficiary in accordance with the Beneficiary Designation and Change provision.

Beneficiary Designation and Change

When a person becomes insured under this certificate, you are responsible for designating a primary and, if applicable, a contingent beneficiary in Writing for any benefits due in the event of the Insured's death. It is important to list the full name of each beneficiary and that all beneficiary designations are kept current and provided to us or the Employer. A beneficiary designation form may be available from the Employer or from us online at: **services.unum.com**.

You are the beneficiary for any Insured under this certificate while you are still living unless there is a valid change in beneficiary designation by an Insured. If you wish to change your beneficiary designation, you may do so by sending us or the Employer a completed, dated, and signed beneficiary designation change form. However, if you designated an irrevocable beneficiary, such beneficiary designation cannot be changed without the consent of the irrevocable beneficiary. Changes in beneficiary designations will take effect on the date notice of the beneficiary designation is signed by you.

Payment of Benefits will be administered based upon the currently available beneficiary designation on file with us or the Employer. If we have taken any action or made any payment before receiving notice of a beneficiary designation, that beneficiary designation will not go into effect for those actions taken or payments made.

If more than one beneficiary is named and the order or share of payments is not designated, the beneficiaries will share equally. The share of a beneficiary who dies before you, the share of a beneficiary who is legally unable to receive benefits, or the share of benefits that are unallocated will pass to any surviving beneficiaries in proportion to their current allocations. The aggregated shares of benefits in excess of 100% will be deducted from surviving beneficiaries in proportion to their current allocations. If you, or a party legally acting on your behalf, has made an administrative error in completing the beneficiary designation form, we may, in our discretion, and when possible to do so, interpret the designation in a reasonable way to enable us to pay the benefits promptly.

If a beneficiary is not named, or if all named beneficiaries do not survive you, or the named beneficiary is legally unable to receive benefits, any benefits due will be paid to the first surviving family member in the order that follows:
- you;
- your Spouse;
- your natural offspring and legally adopted Children in equal shares;
- your mother or father, or if paying both, in equal shares; or
- your sisters and brothers in equal shares.

Instead of making a payment to a surviving family member, we have the right to pay any benefits due to your estate. If there are no surviving family members, or if we are unable to determine the appropriate beneficiary(ies), any benefits due will be paid to your estate. If there is no estate, benefits will be paid as required by law.

Also, at our option, we may pay up to $250 to the person or persons who, in our opinion, have incurred expenses for an Insured's last Sickness and death. Any such payment will reduce the Life or AD&D Benefit Amount payable by us.

In the event of your death, should your Spouse survive you and elect to continue coverage under Portability of Life and Accidental Death and Dismemberment Insurance, your surviving Spouse should name a beneficiary according to the requirements specified within this provision.

Methods of Payment

A Retained Asset Account will be made available to you or your beneficiary if an Insured's Life or Accidental Death or Dismemberment claim is at least $10,000.

If the Life or Accidental Death or Dismemberment claim is less than $10,000, we will pay it in one lump sum to you or your beneficiary.

Upon Written request, other payment options may be available to you or your beneficiary.

Payments to a Minor or Incompetent Insured or Insured's Beneficiary

If an Insured or an Insured's beneficiary is a minor or is incompetent, we can pay up to $2,000 to the person or institution that appears to have assumed the custody and main support of the Insured, the minor, or the Insured's beneficiary unless or until that Insured, the minor, or the Insured's beneficiary's appointed legal representative makes a formal claim. If we pay benefits to such person or institution, we will not have to pay those benefits again. Any such payment will reduce the Life or AD&D Benefit Amount payable by us.

Overpayment of Claims

We have the right to recover any overpayments due to:
- fraud;
- misstatement of information; or
- any error we make in processing a claim.

We must be reimbursed in full. If it is not possible to reimburse us in a lump sum payment, we will develop a reasonable method of repayment. This may include reducing or

withholding future payments.

Legal Actions

If you or your authorized representative disagree with our decision, you or your authorized representative can start Legal Action regarding your claim 60 days after Proof of Loss has been given to us and up to three years from the latest of when:

- original Proof of Loss was first required to have been given to us;
- your claim was denied; or
- your benefits were terminated,

unless applicable law requires us to afford a longer period within which to bring Legal Action.

When Days Begin and End

For the purpose of all dates under this certificate, all days begin at 12:01 a.m. and end at 12:00 midnight.

Certificate of Coverage

We will provide the Employer with a certificate for distribution to each insured Employee. The certificate describes:
- the coverage to which an Insured may be entitled;
- to whom we will make a payment; and
- the limitations, exclusions, and requirements that apply to an Insured's coverage.

If the provisions of this certificate conflict with the provisions of the policy, the provisions of the policy will govern.

Certificate of Coverage Contents

Coverage for an Insured is provided under the provisions of this certificate. The provisions of this certificate are made part of the policy issued to the Policyholder.

The policy consists of all provisions of the policy, the provisions of this certificate, the Policyholder's application, and all related schedules, riders, amendments, and endorsements.

Cancellation or Modification to the Policy and this Certificate of Coverage

The policy and this certificate may be cancelled or modified by the Employer at any time without the Insured's consent. Any cancellation or modification to the policy or certificate requested by the Employer will take effect on the date agreed upon by us and the Employer.

Any policy and certificate modifications resulting in an increase to an Insured's coverage may be subject to Evidence of Insurability Requirements. Once age reductions begin, an Insured's Life and AD&D Benefit Amount will not increase or decrease due to a plan change made by the Employer. All policy and certificate modifications will take effect according to the provisions in the Start of Coverage section of this certificate.

Policy Change Authority

No other person, including a broker or agent, may change or waive any part of this policy. This Policyholder and Unum may mutually agree to change this policy at any time without the Insured's consent. No change to this policy will be effective unless signed by an officer of our company and endorsed on or attached to this policy.

Representation in Applications

Any statements made by you will be considered a representation and not a warranty. Such statements will not be used to avoid insurance, reduce benefits, or deny a claim unless they are included in an application signed by you and a copy of the signed application has been provided to you, your beneficiary, or your authorized representative.

Assignment

An Assignment transfers all or part of your legal title and rights under the policy and this certificate to someone else, known as an "assignee." We will recognize your assignee(s) as owners of the rights you transferred under the policy and this certificate if:
- the Written form has been signed by you and the assignee and the Assignment in its Written form is acceptable to us; and
- in our discretion, we may reject and have no obligation under an Assignment unless a signed or certified copy of the Written Assignment has been received and recorded by us prior to the loss.

An Assignment will take effect on the date you sign the Assignment. However, if we have taken any action or made any payment before we receive a notice of the Assignment, that Assignment will not go into effect for those actions taken or payments made prior to our receipt of the notice of Assignment. Unless stated otherwise in, or allowed by the Assignment, the assignment does not change a beneficiary designation.

You are responsible for assuring the validity of any assignment. Please verify with your own legal counsel that your Assignment meets the legal requirements in your state.

Contestability

We will take legal or other action, if appropriate to do so, to cancel, to deny, or limit coverage or benefits based on statements made in signed applications for coverage, including Evidence of Insurability forms, only when a death, disability or Covered Loss

occurs during the first two years after an Insured's Coverage Effective Date. However, in the event of non-payment of premium, we can take legal or other action at any time as permitted by applicable law.

To confirm the accuracy of an Insured's signed application, we may require additional information, including but not limited to completion of a medical treatment form and medical records.

Misstatement of Information

If we receive information about an Insured that is incorrect, we will:
- review the information to decide whether the Insured has coverage and in what amounts; and
- if necessary, make the applicable premium adjustments.

Fraud

We want to make sure you and your Employer do not incur additional insurance costs as a result of the effects of insurance fraud. We promise to focus on all means necessary to support fraud detection, investigation, and prosecution.

It is a crime to defraud or attempt to defraud us into issuing coverage or paying benefits that we would otherwise not have issued or paid. This includes filing a claim or providing information that contains any false, incomplete, or misleading information.

Fraudulent and deceptive actions may result in denial of a claim, and may be subject to prosecution and punishment under state and federal law. We will pursue all appropriate legal remedies in the event of insurance fraud.

Agency

For purposes of the policy, your Employer acts on its own behalf or as your agent. Under no circumstances will your Employer be deemed our agent.

The Plan, acting through the Plan Administrator, delegates to Unum Life Insurance Company of America ("Unum") and its parents and affiliates the discretionary authority to make all benefit determinations pursuant to Plan documents, which include insurance policies and other documents evidencing funding for benefits provided under the Plan. Unum may act directly or through its parents, employees and agents, or further delegate its authority through contracts, letters or other documentation or procedures to other affiliates or entities. Benefit determinations include determining eligibility for benefits and the amount of any benefits, resolving factual disputes, and interpreting and applying Plan terms and conditions. Portability of Group Life and Accidental Death and Dismemberment Insurance

Portability allows Life and Accidental Death and Dismemberment coverage to be continued when Life and Accidental Death and Dismemberment coverage under the Employer's group policy would otherwise end due to a Portability Event. The Certificate of Coverage (the "certificate") in force at the time of an Insured's Portability Event will reflect the terms and conditions of the Life and Accidental Death and Dismemberment coverage that can be continued.

This Portability rider is made a part of the Life and Accidental Death and Dismemberment Insurance Policy and is subject to all of the provisions, limitations and exclusions of the policy and certificate, unless changed or added by this rider.

All references to provisions, sections, and defined terms have been capitalized. Defined terms that have been capitalized within this rider have the same meaning as the defined terms capitalized in the certificate unless changed or added by this rider.

Any future changes made in the Employer's group policy will not apply to coverage an Insured has ported, unless required by law.

If you have any questions about the terms and provisions of this Portability rider, please contact your Employer, or you may contact us.

- your employment with your Employer ends;
- you are no longer in an Eligible Group;
- you retire from your Employer; or
- you continue to work for your Employer but begin working less than the minimum number of hours as described under Eligible Groups in the certificate.

Coverage may not be ported if coverage ends under the Employer's policy due to any of the following:
- the Employer's policy is cancelled by us;
- your Employer terminates business operations;
- your Employer cancels the policy;
- your Employer fails to pay group policy premium;
- the Employer's policy is changed to exclude the group of Employees to which you belong; or
- your coverage is no longer being continued under the Continuation of your Coverage During Absences provision.

Portability Restrictions
