

LinkedIn Learning is currently available to full benefits-eligible faculty and staff. This does not currently include student employees, graduate employees, or DCCs.

1. Start from the LinkedIn Learning Homepage <https://www.linkedin.com/learning/>
2. On the homepage, click the option that says “AI Coaching” from the menu on the left-hand side of the screen:

3. In the “Practice with role play” section, click "Show all":

LinkedIn Learning is currently available to full benefits-eligible faculty and staff. This does not currently include student employees, graduate employees, or DCCs.

- Review the different options for role play scenarios. Once you've selected one, click "Start role play":

Role play with AI-powered coaching

Prepare for challenging conversations by practicing in a safe, interactive environment. Select a real-world scenario below and start speaking. AI will respond dynamically to what you say, and you'll get feedback to help you close any skill gaps.

Your role play transcripts will not be shared with your company or other LinkedIn members. [Learn more](#)
