State of Arizona Benefit Options

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage contact www.benefitoptions.az.gov or call 1-800-304-3687 or 602 542-5008 to request a copy. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.benefitoptions.az.gov or call 1-800-304-3687 or 602 542-5008 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-network: Tier 1 \$200 employee / \$400 family; Tier 2 \$1,000 employee / \$2,000 family. Out-of-network: Tier 3 \$5,000 employee / \$10,000 family.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . Tier 1 <u>deductible</u> applies to Tier 2. Tier 2 <u>deductible</u> applies to Tier 1.
Are there services covered before you meet your deductible?	Yes, In-network Preventive care services and prescription drug coverage are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> and <u>prescription drug coverage</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	Yes. <u>In-network</u> : \$7,350 employee / \$14,700 family Out-of-network: \$8,700 employee / \$17,400 family	The <u>out-of-pocket limit</u> is the most you could pay in a year of covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket</u> <u>limit?</u>	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network</u> <u>provider</u> ?	Yes. See www.benefitoptions.az.gov or call 1-602-542-5008 or 1-800-304-3687 for a list of network providers.	This <u>plan</u> uses a <u>provider network</u> . You pay the least if you use a <u>provider</u> in Tier 1. You pay more if you use a <u>provider</u> in Tier 2. You will pay the most if you use a Tier 3 <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No	You can see the <u>specialist</u> you choose without a <u>referral</u> .
