**What is Long-Term Disability Insurance?**

Long-Term Disability Insurance pays you a portion of your Salary if you cannot work because of a disabling illness or injury. The Hartford LTD Insurance is provided at no cost to you by your employer.

This highlight sheet is an overview of your Long-Term Disability Insurance. A Certificate of Insurance is available at benefitoptions.az.gov to explain your coverage in detail.

**Why do I need Long-Term Disability Insurance?**

Most accidents and injuries that keep people off the job happen outside the workplace and therefore are not covered by worker’s compensation. When you consider that nearly three in 10 workers entering the workforce today will become disabled before retiring, it’s protection you won’t want to be without.

**What is disability?**

Disability means that you cannot perform one or more of the essential duties of your occupation due to injury, sickness, pregnancy or other medical condition covered by the policy. After the Elimination Period, disability means that you cannot perform one or more of the essential duties of your occupation due to injury, sickness, pregnancy or other medical condition covered by the policy and, as a result, your current monthly earnings are less than 80% of your pre-disability earnings.

Your benefit may continue beyond 24 months only if you are prevented from performing one or more of the essential duties of ANY occupation and, as a result, your current monthly earnings are less than 80% of your pre-disability earnings.

**Am I eligible?**

You are eligible if you are an active employee or officer who is benefit eligible as defined by the Arizona Administrative Code Title 2, Chapter 6 and are not covered by the Arizona State Retirement System Long-Term Disability plan.

**How much coverage would I have?**

Benefit Options provides basic Long-Term Disability Insurance that pays you a benefit of 66.67% of your base pay to a maximum of $10,000 per month.

**When can I enroll?**

After your initial eligibility waiting period, your employer will automatically enroll you in the Long-Term Disability Insurance; you do not have to enroll.

**When is it effective?**

Coverage goes into effect subject to the terms and conditions of the policy. You must be Actively at Work with your employer on the day your coverage takes effect.

**How long do I have to wait before I can receive my benefit?**

You must be disabled for at least 180 days (the Elimination Period) after enrollment before you can receive a Long-Term Disability benefit payment.
Can the duration or amount of my benefit be reduced?

Yes. Your benefit duration may be reduced once you reach certain ages specified in the policy. In addition, as described below within the Important Details, your monthly Long-Term benefit may be reduced by other income you receive.

How long will my disability payments continue?

For as long as you remain disabled or until you reach age 65 whichever is sooner. If your disability occurs at age 62 or older, the duration of your payments will be determined by the table below:

Pre-existing Conditions

Your Insurance limits the benefits you can receive for pre-existing conditions. In general, if you were diagnosed or received care for a condition before the effective date of your Insurance, you will be covered for a disability due to that condition only if:

- You have not received treatment for your condition for the length of time specified in the contract before the effective date of your Insurance, or
- You have been insured under this coverage for the length of time specified in the policy prior to your disability commencing, so you can receive benefits even if you're receiving treatment, or
- You have already satisfied the pre-existing condition requirement of your previous insurer.

Your benefit payments will be reduced by other income you receive or are eligible to receive due to your disability, such as:

- 85% of any Social Security Disability Insurance (please see next section for exceptions)
- Workers' Compensation
- Other employer-based Insurance coverage you may have
- Unemployment benefits
- Settlements or judgments for income loss
- Retirement benefits that your employer fully or partially pays for (such as a pension plan)

Your benefit payments will not be reduced by certain kinds of other income, such as:

- Retirement benefits if you were already receiving them before you became disabled
- Retirement benefits that are funded by your after-tax contributions
- Your personal savings, investments, IRAs or Keoghs
- Profit-sharing
- Most personal disability policies
- Social Security increases
