Benefits Enrollment

You have 30 days from your date of hire or date of eligibility to complete your benefits enrollment and retirement enrollment (if applicable). If you are eligible for the Optional Retirement Plan (ORP), you must complete your retirement enrollment before you can access your benefits enrollment. Once your retirement plan enrollment is complete, your benefits enrollment will be available below on the next day.

Before you begin the enrollment process, please review the Summary of Benefits and Coverage for medical plan options.

Once your enrollments are complete, you may only change your benefits elections during the annual open enrollment period or if you experience a family change (called a qualified life event). Your retirement plan choice is irrevocable and cannot be changed during the duration of your continuous employment.

To begin your enrollment, click Select. For additional instructions on how to enroll, visit the Division of Human Resources website.
