Your department's service award information will appear. The information is divided into two sections:

If you manage multiple departments, you will need to bring the department numbers into the current reports and worksheet.

1. Select the Home Dept. drop-down and click "More/Search".

2. Select the Home Dept. drop-down and press "Search".

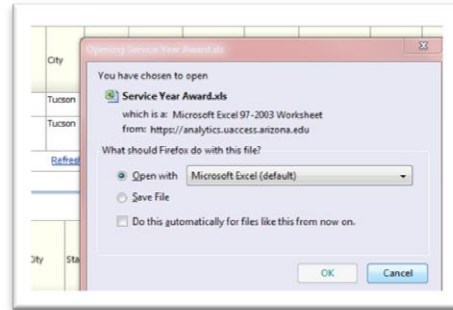

3. Once you select it, click on the "Move" button. Repeat Steps 2 and 3 until all your departments are displayed. When you are finished, press the "OK" button.

4. Once you are in the **Service Awards** page, remember to press **Apply** so that your added departments are shown in the two reports.

- 7) The first report, "**Service Year Award**", lists employees celebrating a milestone year of service, who are to be recognized and will receive a congratulations email and the option to pickup a gift.
- 8) The second report, "**Service Year Award Retired**", lists employees who retired the previous calendar year to the present, who are to be recognized and will receive a congratulations email and the option to pickup a gift.
- 9) **To make changes to the reports you must download the data.** Each report has a download option below it. Export to Excel 2003+ and either Open or Save. *Once in Excel, you may be prompted that the file is in a different format.* Click on Yes. You will have to download each report individually. Once in Excel, you can combine the reports by moving the selected sheets to one workbook.
