LinkedIn Learning
Develop, retain and transform your talent

Solution Highlights
LinkedIn Learning benefits small teams or whole organizations. You can:

• Upskill your employees and close job-related skills gaps
• Develop new and experienced managers and leaders
• Deliver cost-effective, uniform training on a global scale
• Engage and retain employees by investing in their development
• Keep employees current on the latest productivity tools

Key Features
LinkedIn Learning is specifically designed for both small- and large-scale deployments across an organization.

LinkedIn Learning delivers a unique mix of:

World-class content: 9,000+ digital courses taught by industry experts. Available in English, Spanish, German and French.

Data-driven curation: Relevant course recommendations to each of your employees, based on unique data from LinkedIn.com.

Convenience: In-depth and bite-sized courses that can be viewed anytime, on any device, online or off.

For large deployments, LinkedIn Learning lets you:

• Easily integrate with a learning management system (LMS)
• Provide single sign-on (SSO) authentication (SAML 2.0)

“The power of LinkedIn Learning is in the LinkedIn network. It does a great job of curating all of this content that’s going to be meaningful to the learner. It’s really engaging and different than any other offering I’m aware of.”

Patti Barker, Senior Director of Learning & Development, Ellie Mae
